Dear Colleagues,

We would like invite and encourage you to attend World Congress of Gastroenterology where the continents meet in Istanbul, in 21-24 September, 2019. This meeting will be organized with World Gastroenterology Organisation and Turkish Society of Gastroenterology.

Istanbul, the only city in the world built on two continents, has a strategic setting forming the city's destiny as an imperial capital for nearly 1600 years, for Roman, Byzantine and Ottoman Empires. This metropolis proud of its rich history and unequalled natural beauty offers a friendly welcome and genuine hospitality. It will be hard to imagine a more historic part of the world as a focal point for the meetings and congresses in Istanbul. Seated on the Bosphorus, some of the most fascinating history will unfold before your eyes, as you visit this magnificent city.

Recent years have seen dramatic developments in the clinical investigation of digestive function. In relation with those developments, WGO-TSG Istanbul 2019 Meeting will include keynote presentations, oral presentations, poster presentations, and exhibitions.

We look forward to welcoming you at this excellent meeting in 2019.

Yours sincerely,

Cihan Yurdaydın
