Dear Colleagues,

We are delighted to invite you to the **12th International PAAFIS Symposium**, taking place on **September 23–25, 2026**, in the beautiful city of **Wrocław, Poland**.

This unique international meeting will bring together pediatric surgeons, urologists, and specialists from around the world to share knowledge and experience, discuss current challenges, and explore the latest advances in pediatric minimally invasive surgery.

The Symposium is organized by **PAAFIS in collaboration with the Department of Pediatric Surgery and Urology, Wrocław Medical University**.

The scientific program will feature a wide range of inspiring lectures and discussions, including:

- How to understand genetics in gastrointestinal and airway disorders
- A Multidisciplinary approach to surgical correctable congenital diseases
- Anesthetic Challenges in Thoracoscopic Surgery in Neonates and Infants
- Traction risks (ischemia, perforation, anastomotic tension)
- Unlocking Foregut Tumors: Diagnostic and Therapeutic Milestones
- Outcomes of Treatment in Children with Long-Gap Esophageal Atresia: An
